

Polaris Xpedition Trailer Adapter

Thank you for purchasing XTC's Plug & Play Trailer Light Adapter for Powering small trailer lights that are equipped with a 4-terminal flat molded connector.

WARNING! Keep the wire Harness away from any hot or moving parts.

- Unplug OEM light connector located under rear dump bed, plug adapter in-line
- Run the cable down to the Factory Trailer Hitch making sure that the wire is **kept away from any hot or moving parts**.
- Using the supplied cable ties, secure the cable to the car once again making sure that the cable is kept away from any hot or moving parts.
